

Community BBQ – Sunday 15 September 2019 – 1025 Leonino Rd, Darwin River.

If you are coming from the north, the easiest way is to come from Cox Peninsular Rd (or Finn Rd) and then South on Hopewell Rd. Hopewell Rd ends at an intersection with Leonino Rd (there is a dirt road ahead). Turn left onto Leonino Rd and drive 3.5 kms.

You will cross a small dry creek that is on 1025 Leonino Rd and then enter by turning right on the eastern firebreak, where we will have both a Land for Wildlife Sign and a sign board.

Drive in on the firebreak and there will be a sign straight ahead for parking. Park up and then walk in on one of two tracks towards the house, which are to the right. These will sign posted.
